 - Next Meeting: October 10, 2018
11. Adjourn meeting

Text votes:

7/24/18-After trying to dye some sample 4th grade totes we decided it was going to be too much work. We would like to purchase new tote bags for the 4th graders this year. After looking online we found bags that were around \$4 each. We need to order 130 totes, so the total would be \$553.80. Everyone voted YES to allow the purchase of the new 4th Grade totes.

9/4/2018-There is a Traci Johnston memorial fundraiser event and parents' club was asked if we could donate anything to be put in a basket with some other Edison things. I asked to vote on a car decal worth \$3, and an older spirit wear T-shirt worth \$5 to be donated. Everyone voted YES to allow both.
