- The Main Street entrance by the Elementary office should be used by ALL students being dropped off or picked up, and all students who walk to school.
- Buses will drop off and pick up students on Center Street. We ask that no cars enter the parking lot on Center Street at arrival or dismissal time. It poses a danger for students going to and from the buses.
- If your child is going home a different way than he/she normally does, please send an email to Mrs. Baehr in the office at abaehr@edisonchargers.org, or call the office in the AM. Last minute changes in transportation can result in confusion and a chance that the child will not get the message in time.
