*Open enrollment cannot be guaranteed for consecutive years because of class size restrictions. See back of form for additional information.

The Edison Local School District will permit the enrollment of students from any other Ohio school district. Students wishing to enroll in the Edison Local School District may do so in accordance of policies and regulations adopted by the Edison Board of Education as pertaining to Policy JECBD Intra-district Open Enrollment and Policy JECBB-Admission of Inter-district Open Enrollment.

Applications for Inter-District Open Enrollment must be submitted to the Board of Education office no later than July 1. One application must be submitted for each student applying for open enrollment.

Proof of residency is required to be submitted yearly. Documents that will be accepted as proof residency include: a current lease/purchase agreement signed by all parties, utility bill (i.e., water, electric, gas), mortgage document, or property tax statement. Application forms will be placed on hold until current proof of residency is received.

Parents who wish their student(s) to continue attending school in the Edison Local School District must reapply annually. There is no guarantee enrollment will be granted each year.

Inter-district enrollment limits may be set by grade level or on a course-by-course basis; no inter-district application will be permitted if the enrollment of the grade level being requested exceeds appropriate limits as determined by the superintendent.

All approved open enrollments are in effect for the current school year only. Applicants will be considered with an assurance that resident students will not be displaced. The following order for placement will be followed:

- Students who have parents who are employees in the District
- Students currently open-enrolled in the District
- New student applicants

Transportation for open enrolled students shall be the sole responsibility their parents/guardians. Ohio High School Athletic Association (OHSAA) rules will govern all athletic eligibility decisions. For additional information, contact the Athletic Director, Nick Wenzel at:
