Dear Parent(s)/Guardian(s),

April 17th, 2024

The Erie County Health Department/Erie County Community Health Center has partnered with Edison Local School District to provide onsite school-based dental services, physicals, and age-appropriate immunizations on selective dates for the 2023-2024 school year. Dental services will be provided on the Erie County Health Department/Erie County Community Health Center's Mobile Dental Vehicle which is designed and outfitted as a Mobile Dental Center to provide comprehensive and quality dental care in the community setting. Age-appropriate immunizations and school and/or work physicals will be offered on site for your convenience. All services rendered will be billed to insurance, if applicable. Reduced out of pocket costs and free services are available. No child will be denied services due to inability to pay.

Location:	**Edison High School**
Date:	Wednesday, May 22nd, 2024
Time:	9 am – 2 pm

What to expect?

Services are provided at your child's school for convenience. Dental and medical services are provided by a team of licensed dentists, dental assistants, dental hygienists, nurses, and medical providers.

What is the follow-up?

According to the American Dental Association, children and adults should receive a dental cleaning every six months to maintain healthy teeth and gums. Before and after a student is seen for medical or dental services, a staff member from the Erie County Community Health Center will reach out to the parent/guardian and review details pertaining to the student's appointment and recommended follow-up care (if they are a minor).

How do I make an appointment for my child?

As dates for services are announced and for your convenience, please call the Erie County Community Health Center Centralized Scheduling office at 567-867-5174 to pre-register your child's appointment. Walk-in appointments are available.

What paperwork do I need for my child to participate?

Please complete and turn in the SBHC Consent Form along with a copy of the parent/guardian's photo ID (for minor children) and insurance card, if applicable. Please have students turn in completed forms to the school. Completed consent forms and a copy of the student's or parent/guardian's photo ID and insurance card will be given to the Erie County Community Health Center staff prior to the scheduled appointment. It is not necessary for the parent/guardian to attend the appointments, but you are welcome.
