

GRADE REPRESENTATIVES NEEDED

Grade Representatives have the best role in Parents' Club - planning and attending the fun events with the students! Class parties, field days, dances, and field trips: these are the occasions our children will always remember. Requiring less than 10 hours total per semester (including the meetings), it is a role that allows you to make a big impact on the student experience at EMS, and it prioritizes spending your volunteer hours with your child.

RESPONSIBILITIES OF GRADE REPRESENTATIVES:

- Serving as a liaison between your child's grade level teachers and Parents' Club. This mainly consists of communicating with teachers before grade-level special events such as field trips, field day, and after-school events.
- Attending Parents' Club meetings to communicate information about your grade level and be up to date with Parents' Club goals and progress.
- Planning and executing special events for your child's grade level.
 - 4th/5th grade events - Christmas Party, Valentines Day Party, After School Fun Activity, and Field Day
 - 6th grade events - Glow Day and Field Day
 - 7th grade events - Dance and Field Day
 - 8th grade events - Dance, Field Day, and 8th Grade Recognition
