

Edison Middle School is teaming up with OHgo to give back!

What is OHgo?

OHgo provides support for the community by delivering goods, such as groceries and Christmas trees, to families in need and brings opportunities, such as bookmobile events, art parks, and mobile pumpkin patches, to their neighborhoods. That's what makes OHgo so unique! Volunteers are able to reach local families who may have difficulty accessing mainstream groups and services.

Project Happy

Project Happy was started to bring Christmas gifts to kids in need in **Erie/Huron** counties. Shoeboxes are collected and delivered to families in our communities right before Christmas. Families at Edison Middle School are challenged to help us pack shoeboxes or shoebox sized totes with little Christmas gifts and toiletries for a child in need. Once we receive the donations from each grade level, we will pack the shoeboxes (**turn page over for grade level details**). Students bringing in donations will be entered into a drawing for a chance to be able to participate in the "wrap party" to get the gifts wrapped and ready for pick-up on December 19th. Collection will end on December 15th. Go to www.ohgoreach.org for more information.

Help our school reach our goal of 200 boxes!

We were able to pack 160 boxes last year and hope to be able to contribute even more this year! For more information, contact Marlene Putnam, School Counselor at mputnam@edisonchargers.org or at 419-499-3000. Like and follow OHgo on Facebook @ohgo and twitter @wheresohgo to watch the kindness spread! Thank you for being a part of Project Happy and spreading the kindness!

PLEASE SEE REVERSE SIDE FOR HOMEROOM DONATION LISTS

This collection will conclude on **December 15th**. Any student that has brought in an item will be entered into a drawing to be able to help to wrap the packages while enjoying Christmas music, snacks and other fun activities. ****Please keep in mind that these items must fit into a shoebox or a shoebox sized container.****

4th grade: Ages 5 to 9: Girls and/or Boys
