

Edison Middle School Parents' Club Introduces...

Stay up to date with Parents' Club events for your child's grade level!

Please follow the instructions below to sign up to receive text, email, or app notifications for your child's grade level from Edison Parents' Club. Remind is a main communication tool for Parents' Club. We use this to notify you of upcoming special events/meetings and volunteer opportunities. You may sign up for multiple grade levels. We promise not to overwhelm you with messages, yet keep you informed!

If you signed up last school year, you should have automatically been placed in the correct grade level for this year. You should have also received a message inviting you to the first meeting.

Pick the method that works best for you:

To receive text messages:

Text @__thEdison (fill in your child's grade level in the blank) to 81010. Trouble using 81010? Try texting @__thEdison to (330) 367- 5644 instead. Standard message rates apply.

Codes for each grade level:
@4thEdison
@5thEdison
@6thEdison
@7thEdison
@8thEdison

To receive push notifications on the app:

On your iPhone or Android phone, open your web browser and go to the following link for your grade level:

rmd.at/4thedison
rmd.at/5thedison
rmd.at/6thedison
rmd.at/7thedison
rmd.at/8thedison

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app if you do not already have it.

To receive emails:

On a desktop computer, enter the same links as used above for the app (Example: rmd.at/6thedison) to sign up for email notifications.

If you are having any issues, please contact EMSparentsclub@gmail.com and we will help you!
