

LITTLE CHARGERS PRESCHOOL ENROLLMENT

Interested in having your child begin their education in our gold rated preschool program? Please see the information below to apply for a spot in our preschool.

Applications are currently available for the 2025-2206 school year. To apply a student must be 3 years old by August 1st for our 3 year old program, or 4 years old by August 1st for our 4 year old program. Applications are numbered in the order in which they are received, but priority is always given to our returning students and our Edison district residents. Students applying for open enrollment to preschool will be considered if space allows. All applications are due by March 17th. Any applications received after that date will automatically be placed on our waitlist while we determine class placements based on applications received by the deadline.

Applications are available on the main page of the website or by contacting Kathy Smith in the preschool office. She can be reached at 419-499-3000 ext 7 or ksmith@edisonchargers.org to receive an application or with any questions concerning preschool.

Notices of acceptance will begin to be made on April 7th. Please do NOT complete any Final Forms documents or any other enrollment items until you have been informed of acceptance and given further directions. Thank you for your interest in our program!
